Sullivan High School

Sullivan, Illinois

Vol. 56

Our freshman summer was over. We entered the doors of S.H.S. as sophomores, but we were unaware that a newcomer walked in beside us. Through the years, we have come to know him as a sponsor, an instructor, a coach, and a friend. As our sophomore and senior sponsor, he understood our feelings and wants. With a great deal of patience, he taught our clumsy fingers the skill of typing. Even though his schedule was full, he found the time to serve as Retrospect advisor through two successful years. Therefore, we, the Class of 1969, proudly dedicate this year's Retrospect to you, Mr. Bales.

Amid this space-age world, we have experienced a special time in our lives. As we seniors prepare to depart, we wish to glance once more through our last years in High School. We remember laughter, the work, and the tears that combined to make this year a wonderful time. A time not only for us but for the underclassmen as well.

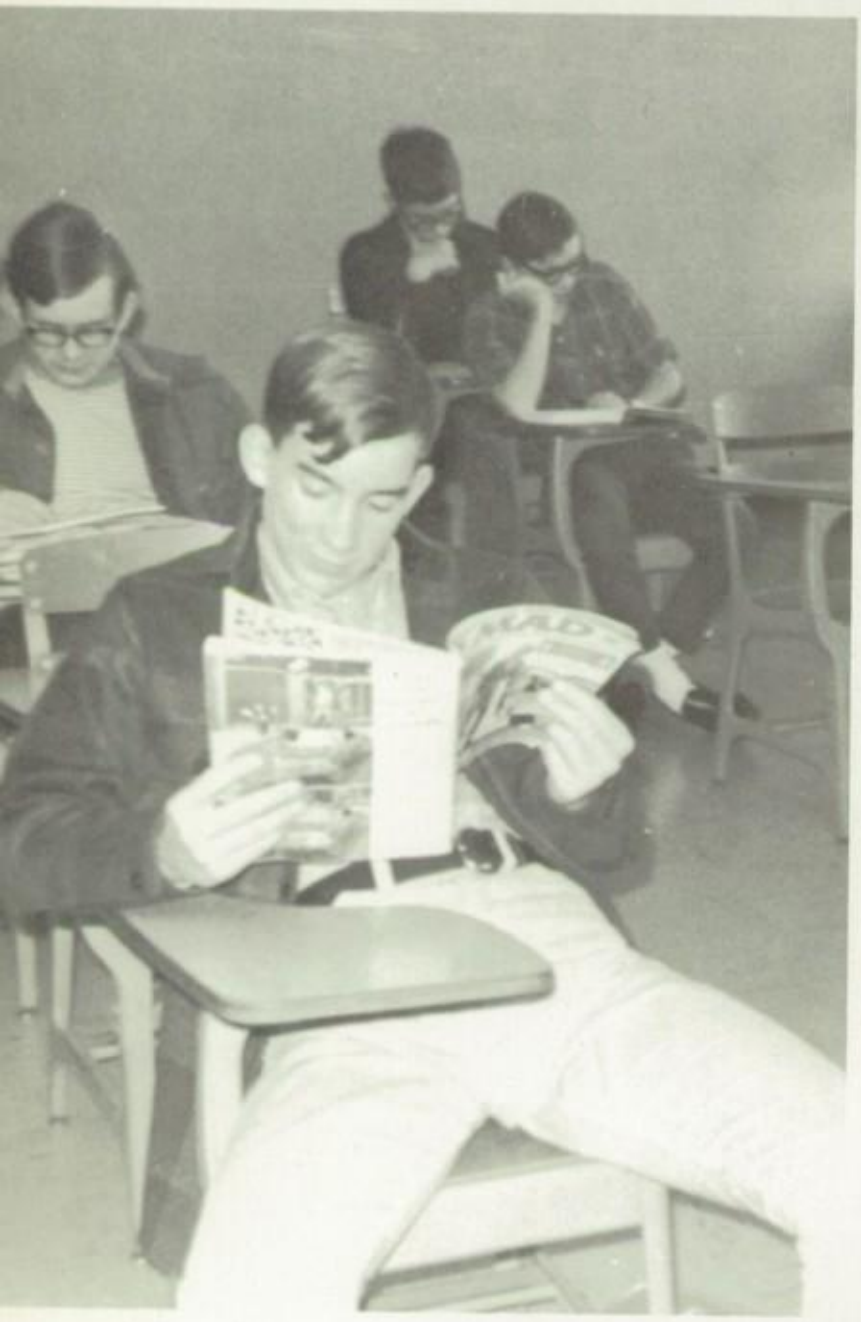
We shall never forget that high school was . . .

A Time . . .

To Make Friends

No receipt openeth the heart but a true friend, to whom you may impart griefs, joys, fears, hopes, suspicions, counsels, and whatsoever lieth upon the heart to oppress it, in a kind of civil shrift or confession.

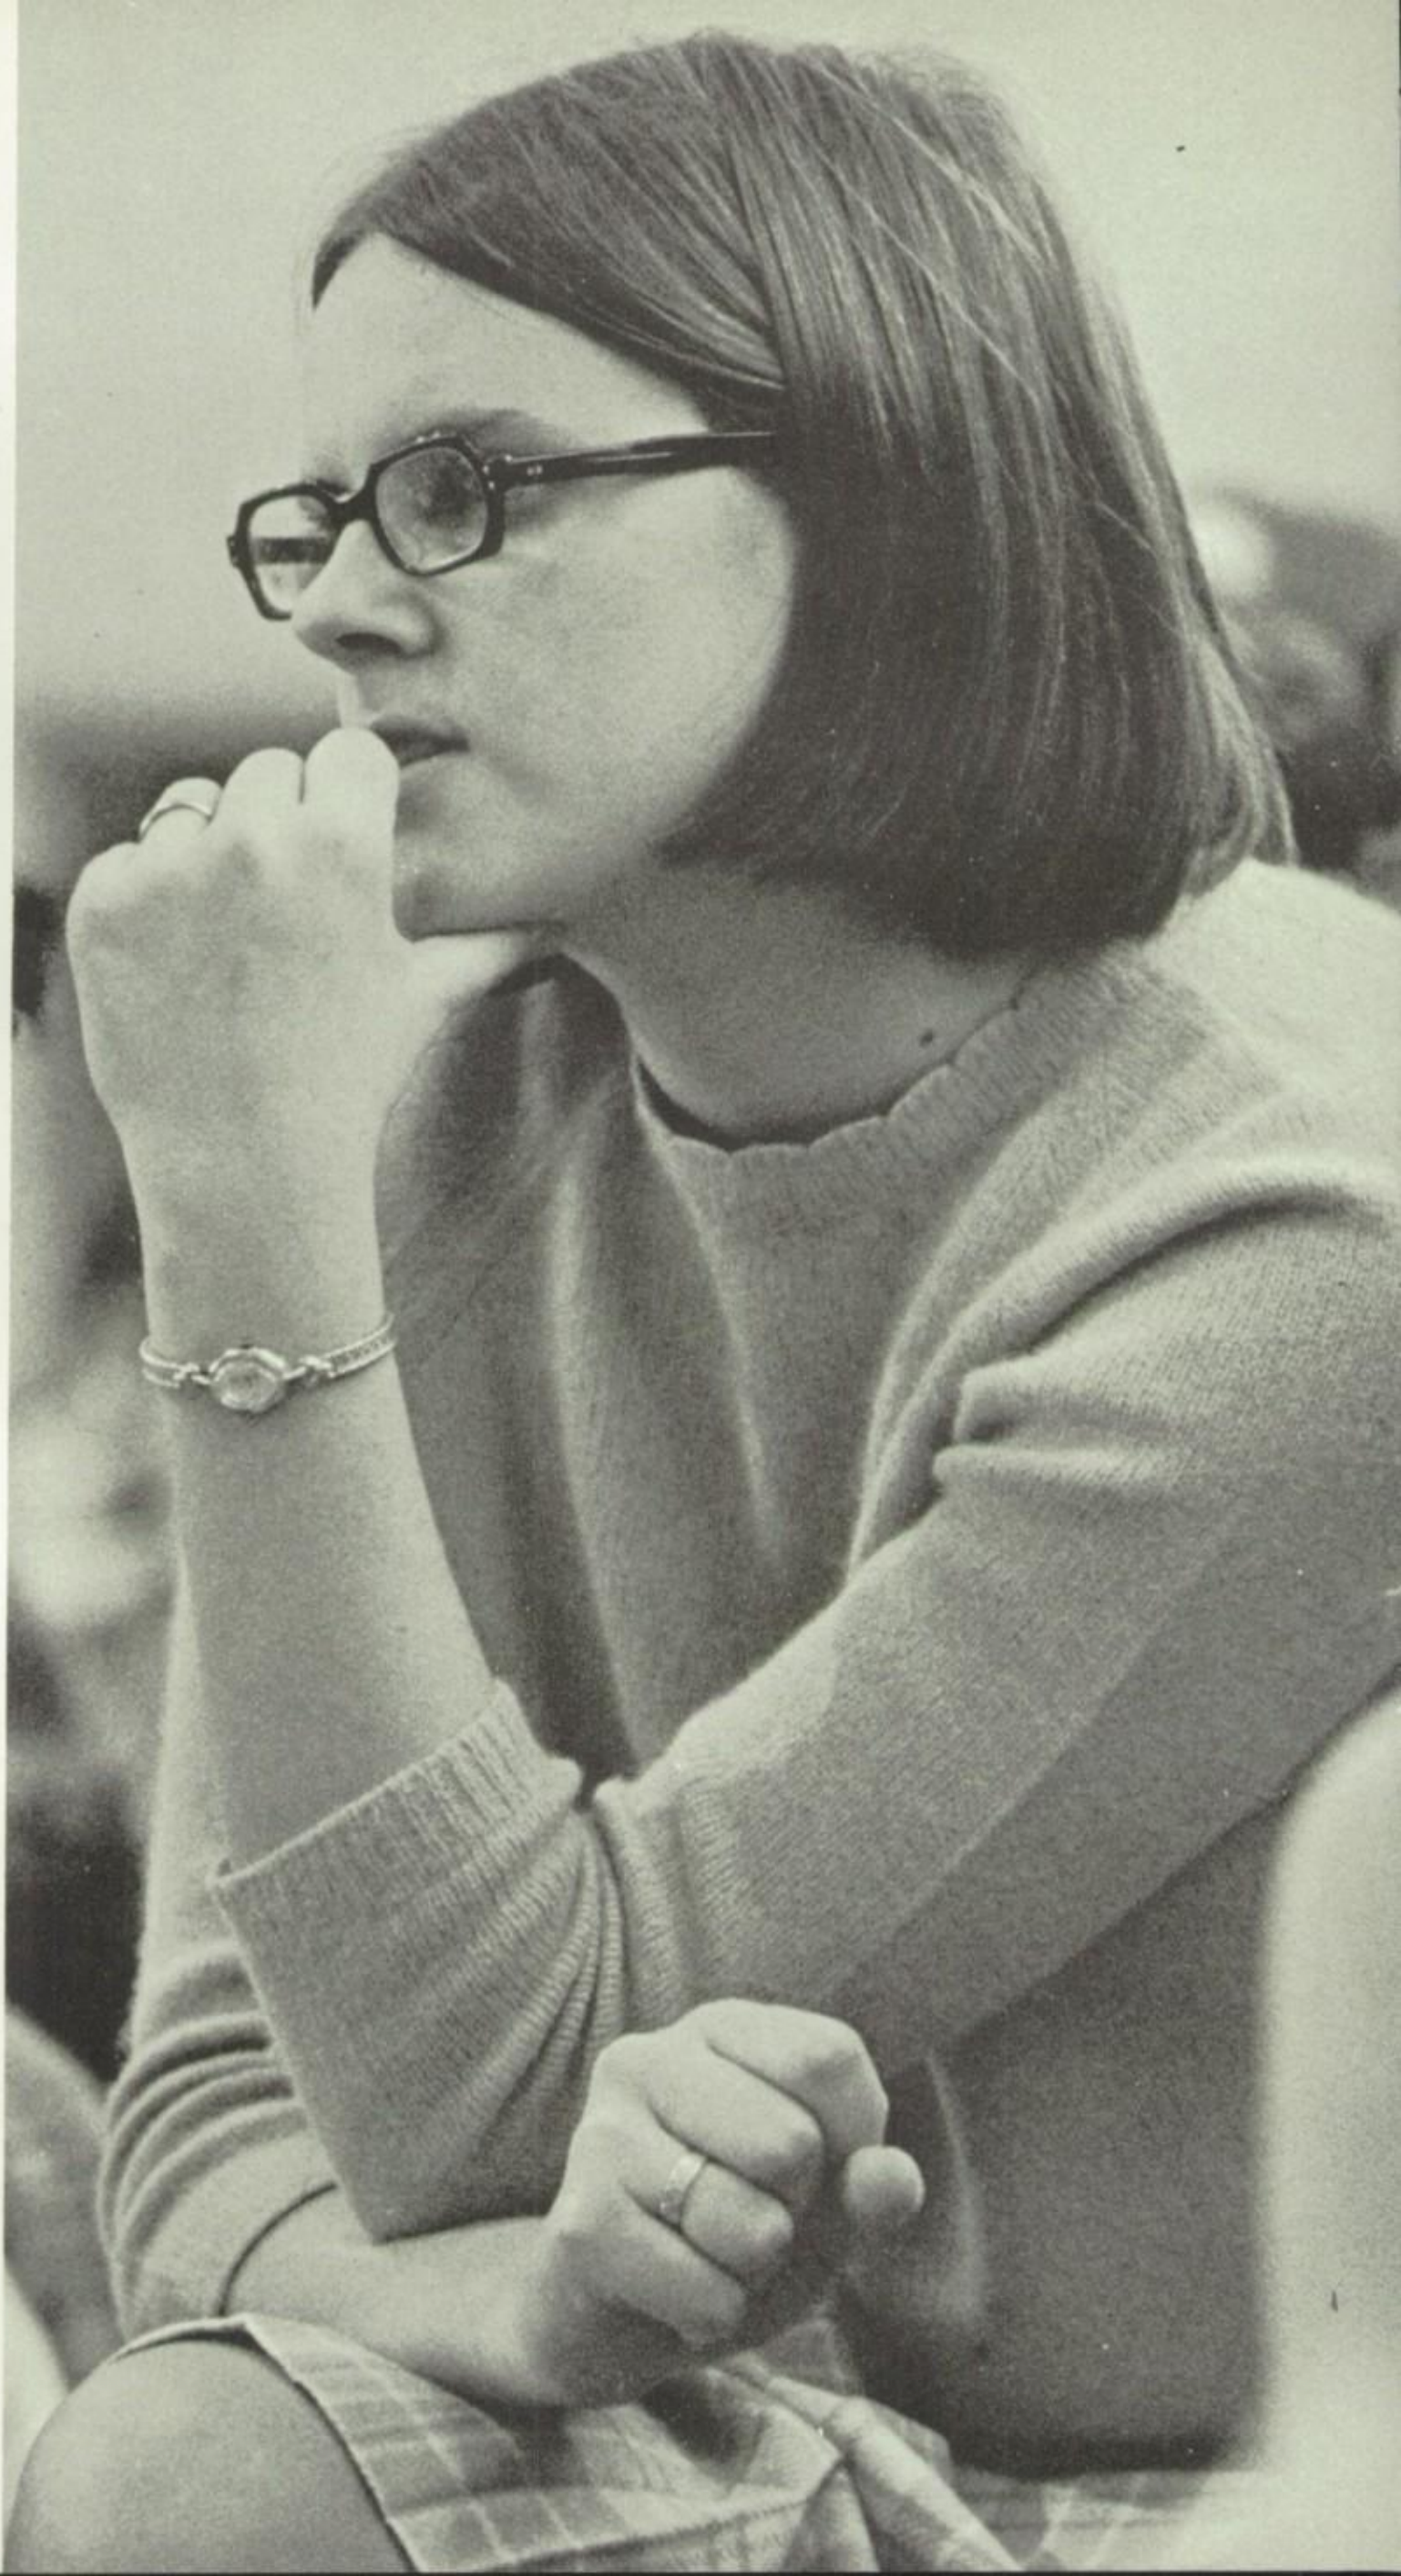
"Of Friendship"
—Francis Bacon

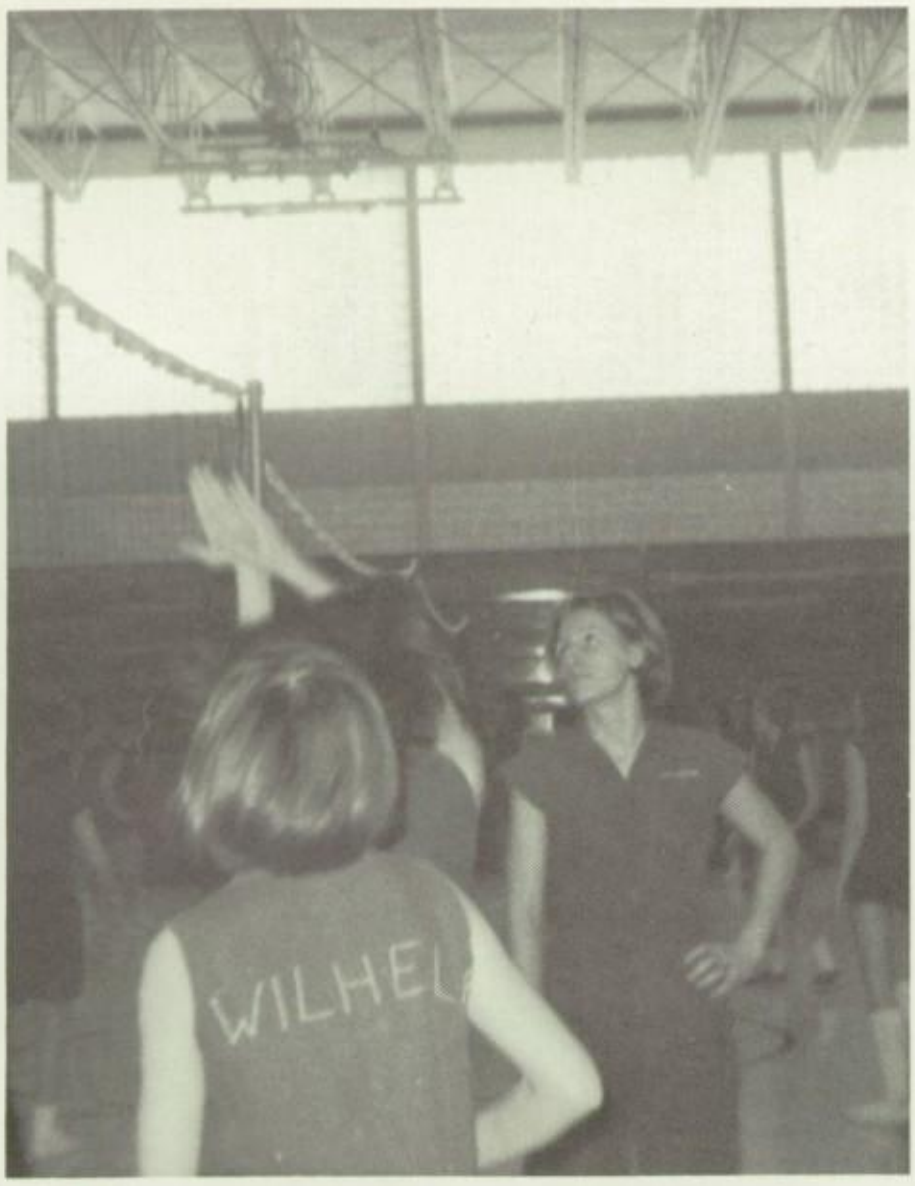


To Study

They perfect nature and are perfected by experience; for natural abilities are like natural plants, that need pruning by study; and studies themselves do give forth directions too much at large, except they be bounded in by experience.

"Of Studies"
—Francis Bacon





To Express

You and I
Are things compounded of time's heart-beats,
Stretching the vascular instant from the vascular past:
You, with forgotten worlds,
And I with worlds forgotten and remembered.
Yet the leaf,
With all its bleeding veins, is not more torn than you are torn,
This moment from the last.
Can you rejoin it?
Is it here,
Or there?

ATIONS

Retrospect; A New Look

"Oh! I don't know. Where's the dominate picture?" was one of the most dreaded statements the editors could utter. Layouts were made and remade; pictures were lost in the bottomless pile of crumpled dummy sheets, miscellaneous pictures, and copies. These were the common week-to-week trials the Retrospect staff had to endure. The staff was trying to achieve a new effect in yearbook layouts. It introduced the mosaic style consisting of dominate pictures and space.

Co-editors, Linda Livergood and Karen Davis search through old or borrowed yearbooks to find layout ideas for the opening pages of this year's RETROSPECT.

Roger Martin provided valuable assistance training staff members to develop pictures.

Members of the Senior Section contemplate possible layouts for the Senior Trip pictures.

The new mosaic style is hard to understand. Miss Jenkins and Debbie Norton explain it to Bob Tepatti and Linda Atchison, as they plot layouts.

Student Council

The first activity for the Student Council this year was, as usual, Homecoming. After much worry, stress and strain we struggled through it and labeled this year's homecoming as a successful one. Tom Trigg was President of 24 members this year. Some of the Student Council's activities were homecoming, candy sales, Christmas decorations, assembly programs and dress up days. The representatives must have had a C average and must have received 4 academic credits per year. He must also have been a member in good standing in his class. The purpose of Student Council is to promote a knowledge and interest in good government, and to stimulate the development of loyal, constructive school spirit.

National Honor Society

National Honor Society: Sullivan has had a chapter of the National Honor Society since 1935. The purposes of the National Honor Society are to promote worthy CHARACTER, SCHOLARSHIP, outstanding LEADERSHIP, and true SERVICE. Members are selected from the Junior and Senior classes. To be elected to the NHS, a Junior must have at least a 4.5 academic average and a Senior must have at least a 4.0 average. No more than 10% of a Junior and 15% of a Senior class may be elected to NHS. From a list of students who qualify scholastically, the faculty nominate those and vote for members of the basis of leadership, service and character. New members are inducted into the National Honor Society in front of an all school assembly held in February. Members of the NHS sponsor bake sales to raise money for a scholarship to be given to a deserving Senior. The scholarship winner is chosen by the Junior members of the NHS.

Nelda Horsman delivers a speech on the importance of leadership as a NHS member.

At the end of the academic year, the F.F.A. holds a banquet for members, their parents, and special guests.

To be a member of the S.H.S. D.E. Club, a person must be a member of the Distributive Education Clubs of America and Illinois. The members sponsor publicity projects such as display windows, sell football programs, have a saving club, and hold an employer-employee banquet.

Mr. Jim Bales is the sponsor fo the new organization.

Pep Club

This year's Pep Club was much more active than any previous year. Energetic members spent many long hours making signs to cheer on the football and basketball teams. The Pep Club was also in charge of decorating the goal posts of the football field and formed long pep lines to greet the football players as they ran on to the field. The Pep Club, led by the cheerleaders, establishes school spirit and promotes better sportsmanship.

Science Club Performs Experiments

The Science Club of Sullivan High School, consisting of sixty-five members, performs experiments to learn more about chemical compounds and other interesting aspects of science. This year, the science club sponsored a sock hop after a game and a car-wash as money-making projects. Students must maintain a C average to remain as members. In the spring, the science club members participate in a picnic.

Le Cercle Francais

The purposes of French Club are to give its members a better understanding of France and the French-speaking countries and to give the members an opportunity to speak French in conversation. To become a member, a student must have had one year of French.

Some of the activities of the French Club are building a Homecoming float, having bake sales, and earning money for a French Club Scholarship.

Sharon Rhoades brightens up the French room with a French Charlie Brown.

Library Club Serves the School

Membership in the library club is limited to assistant librarians. Requirements to become an assistant are; filing an application, being available and willing to work in the library, and showing willingness to learn library procedures. Meetings are held once a month. This year's librarians were very helpful and considerate to the students.

Future Teachers of America is an organization for those students interested in the field of teaching as a profession. This includes elementary and secondary teaching. A student will find out about the preparation necessary to become a teacher, the schools where this training is given, and the possibilities in the field of teaching. Among activities the club sponsors, a teaching day for members is organized. Each member previews by practice teaching for a day, the area of his special interest.

Band Boasts

Ninety Five Spirited Members

The Sullivan High School Band is in its fourth year under the baton of Mr. Antone Tepatti. Under his leadership, the S.H.S. Band has gained a reputation as one of the finest marching and concert bands in the area. The members of the band rehearse five days a week and take part in the annual state solo and ensemble contests. The band presents two annual concerts. Assisting with the ninety-five member band this year were Miss Janet Andresko and Mr. George Kohut, student teachers from Eastern Illinois University.

The Marching Redskins salute Jazz in a half time performance by forming a top hat and a bow tie.

Stage Band Plays a Different Type of Music

"Let's go saxes. Give us more trombone, Phil. How about a little more lead trumpet, Bob? Come on Gary, keep the rhythm steady." These are just a few of the pleas and commands that Mr. Tepatti gives to members of the Sullivan High School Stage Band as they rehearse at semi-regular intervals during the school year. The style of music played by the stage band ranges from fox trots, Glenn Miller, and Duke Ellington, to Henry Mancini, Sammy Nestico, and modern jazz. Instrumentally, members of the stage band come from the saxophone, trombone, trumpet, and percussion sections of the concert band. A tuba player and a string bass player are also utilized. Membership in the stage band provides members with solo and ensemble training. The stage band performs at pep sessions, on the spring tour with the concert band, and at the spring concert.

Mixed Chorus

"Boys! Girls! Stop fooling around and get ready to sing!" A small roar dies down and all ears strain to hear the command of Mrs. Smith. Mixed Chorus rehearsal has begun. Many hours of practice for the Christmas Concert, the State contest, and the Spring Concert are part of the life of the members of the Mixed Chrous. They also prepare numbers for the Moultrie County Choral Festival. Two members of the Mixed Chorus, Allan Cook and Dave Griesemer, were selected as members of the 1969 Illinois All-State Chorus which sang in Peoria. The music studied is of the medium to the difficult degree. Mixed Chorus rehearses on Tuesday and Thursday of each week.

"Oh brother, this is MURDER!"

Frosh-Soph. Boy's and Girl's Choruses

Small in number, but powerful in voice is a very proper way to describe the Boy's Chorus under the direction of Mrs. Alma Smith. The boys perform at the Christmas Concert, the State Contest, and the Spring Concert. Members of the Boy's Chorus also take part in the annual Moultrie Country Choral Festival. The music studied by the boys ranges from two to four part chord arrangements. The music is of medium difficulty.

"Are you ready, girls? Sing!" This comment is typical for the start of Freshman-Sophomore Girl's Chorus rehearsal. Freshman-Sophomore Girl's Chorus provides an opportunity for Freshman and Sophomore Girls to receive vocal training and performing experience. The chorus performs at the Christmas Concert, at the State Contest, and at the Spring Concert. The girls also participate in the Moultrie Country Choral Festival. The music studied is at fair to medium difficulty.

Members of the chorus take part in the Illinois State Solo and Ensemble Contest. The Girls Chorus performs at the Christmas Concert, the State Organization Contest and the Spring Concert. Mrs. Alma Smith is the director of the Chorus.

Girls Athletic Association

G.A.A. is an organization for girls interested in an athletic program beyond the regular physical education program. The girls are encouraged to participate in such team sports as volleyball, soccer, and bowling. They also enjoy Monday afternoon swims and Saturday morning bike hikes. G.A.A. sponsors such money-making activities as bakesales and concessions. The money earned is contributed toward the G.A.A. Scholarship and toward the purchase of trophies and awards which are presented at the annual awards banquet held at the end of the school year. Other special activities include the initiation of freshman girls into G.A.A. and the G.A.A. Daddy Date Night. G.A.A. also furnishes the Sadie Hawkins candidates.

DALE DENHAM AND MARIANNE MORRISON believe that happiness is being crowned Mr. Ugly and Miss Sadie Hawkins.

B.A.A. Promotes Athletics

The B.A.A. is an organization for boys interested in athletics. During the year, the boys sponsor the Sadie Hawkins dance, and have various fund fund raising projects for athletic scholarships. The purpose of the association is to promote and maintain the highest standards of athletics and to be of service to the Sullivan High School.

Grant Casleton stops for a minute and takes a breather at Sadie Hawkins dance.

ACTIVITIES

May we, the students of SHS, be forever grateful for the added sense of responsibility which we have gained through our participation in extracurricular activities. May we not only take pride in the accomplishments, but also be thankful for the opportunities for friendship among participants of these activities.

Homecoming

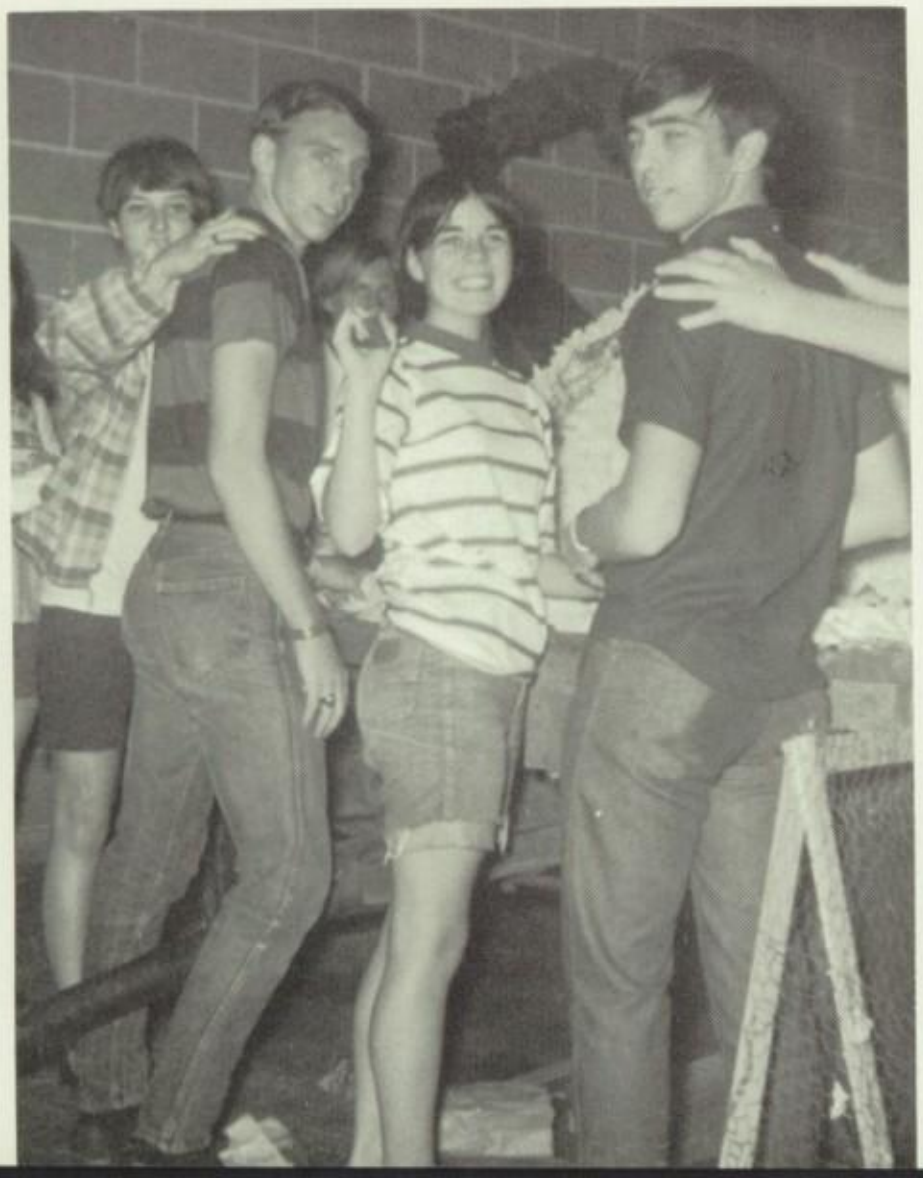
The Juniors appreciated Mr. Tepatti's "inspiring" help towards building their "tremendous" float.

"You're getting mighty close," says busy sophomore, Lyle Brummett.

Seniors hard at "work"?



During Homecoming Week, students take part in many activities at Sullivan High School. Thursday night, before the game, the student body shows its high spirits for the coming game with a Snake Dance. Led by the cheerleaders, the group "worms" its way through the town and out to the football field. After some cheers, the dummy is thrown on the bonfire. This symbolizes the fact that we really want to win and that we are behind our team all the way. Immediately after the Snake Dance, most students begin "work" on the almost finished floats. Everyone hopes that they can finish tonight.

Homecoming is a time when classes, organizations, and townspeople can show their artistic abilities. They spend many long hours of hard work just planning their floats. Then, during the week of homecoming, the plans are put into action. School floats are worked on from about 4:00 to 9:00 each night. Homecoming day brings excitement as the floats are pulled onto the street. Such cries as "Isn't it beautiful?" and "I think ours is the best!" are heard from every direction. When the winners are announced at the game, there is sadness mixed with happiness. Everyone is still proud of their floats even though they didn't win a prize.

The Court and Their Escorts

The finale of Homecoming Week– the Coronation Dance. Each of the Senior candidates has spent many hours looking for the right dress. Now, is the time when they get to show their final choices. Also, after weeks of "I can't ask him!" and "Will he go?" the escorts have been chosen. The Homecoming Dance makes all the worries and frustrations of the four queen candidates and three attendants worthwhile.

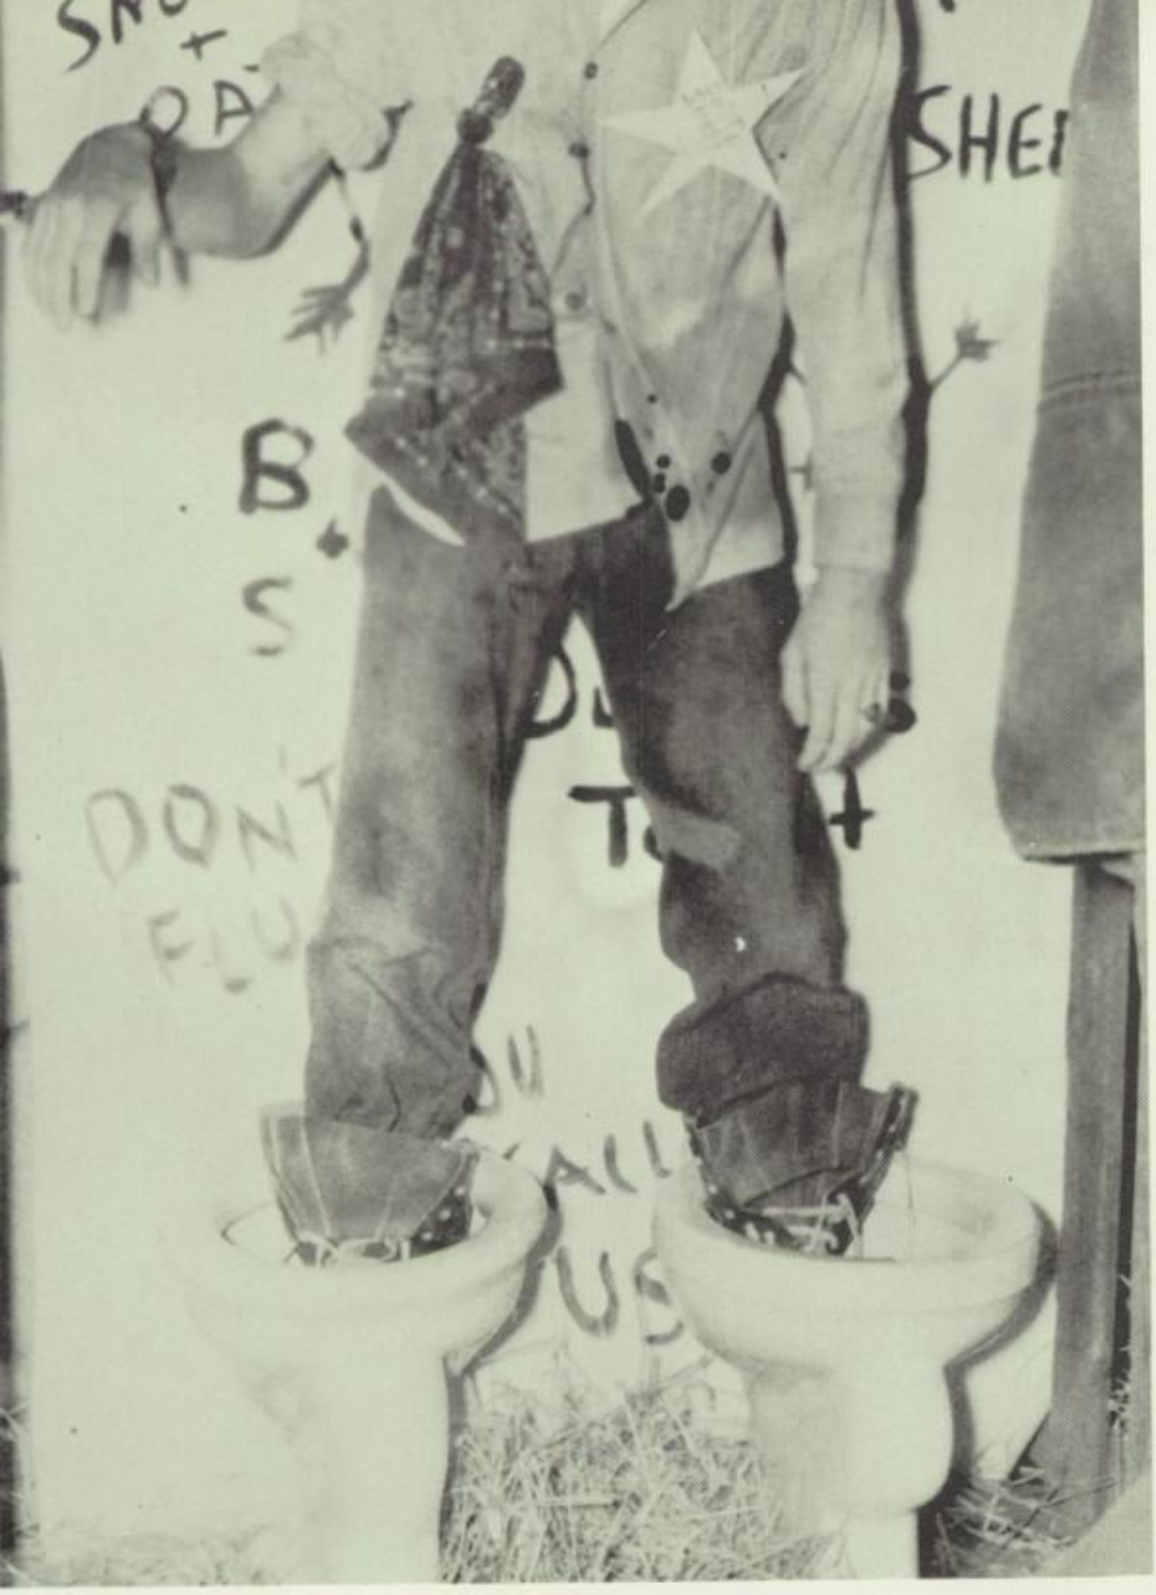
"Togetherness"



Sadie Hawkins Dance

This year's Sadie Hawkins Dance was characterized by two outdoor toilets, a straw jail and hillbilly music over the intercom. The Sadie Hawkins candidates were Susie Atchison, Marianne Morrison, Susie Davis, and Lisa Drew. Mr. Ugly candidates were Gary Willis, Dale Denham, Jim Matheson, and Pat Thompson. In both categories, the Juniors won with their candidates, Marianne Morrison and Dale Denham. Voted the best dressed were Lisa Drew and Doug Von Behren. Lisa in a smart polka dotted water silk blouse with a classic black wool skirt won the raves of the critics. Doug, in an ever-popular zoot suit, with overalls was really doing "his own thing." The overall effect that gave Doug the lead was his well groomed hair.

Christmas is about the same at Sullivan High every year, but as usual we tried to make it just a little bit special this year. Gary Harshman was our Santa Claus, and he really thrilled everybody when he bounced out on the gym floor. The varsity cheerleaders amused everyone with their Christmas wishes which they confessed to on Santa's knee. Gifts were given to special people in the student body. The chorus entertained us with a few Christmas selections, and then everyone sang Carols together.

FOOT

Possibly, if it hadn't been for a few bad breaks, the Sullivan Redskins might have finished higher in the standings than they did. With the help of All Conference players John McLaughlin and Rick Summers, Special Mention players Jim Highland and Mike Calvin, and Honorable Mention player Greg Sanders, the Redskins put on a great showing and represented their school proudly. Rick Summers, the team's Most Valuable player, finished the season with 485 yards, averaging 3.6 yards per carry. He also was the team's leading punter with an average of 36.6 yards a punt. The Redskins averaged 18.3 point average. John McLaughlin, Captain and winner of the Poland Defensive Trophy, led the defense in tackles with 105, followed by Jim Glazebrook, Mike Ray, and Jim Highland. The Redskins finished the year with a 4-4-1 record. They have seventeen returning lettermen next year.

BASKET B

After having a slow start, the Redskins picked up momentum in the middle of the season. The Redskins lost close games to Oakland, Unity, and Monticello; but won close ones over Bement and Villa Grove with a tremendous effort. In the Villa Grove game, Mike Calvin turned in his season high of 36 points after scoring 34 points against Moweaqua just three days before. This raised his season average to 21.5 points a game and made him a strong contender for the scoring championship of Okaw Valley. John McLaughlin, a hard working senior guard, held Kingerly, who was averaging 20.6 points a game, to 2 points in the Arthur game. Juniors, Mike Ray, Roger Dudley, Jim Pound, and sophomore Keith Bomkamp put out great efforts throughout the season. Ray is certain to be the rebound leader, averaging 11.8 rebounds a game. With John McLaughlin, the only senior leaving the starting line-up, the Redskins, under Coach Schaljo, should be an Okaw Valley contender next year.

After dropping the first three games of the 1968-69 basketball season, the "young" J.V. Redskins came on strong to win six out of their next 8 games. At the halfway mark of the season the J.V.'s hold a record of 6-5.

The J.V. squad, led by Coach Jerry Carel, consists of 3 freshmen, 2 sophomores, and 7 juniors.

At mid season the statistics tend to lean in favor of the Redskins. On a 10 game basis the Redskins averaged 55.6 points per game compared to their opponents 52.6

Get Witch Quick

Act One: Craft College students relax in the Student Lounge.

A lock of hair brings a curse on Junelle.

The new, young English Professor doesn't realize that his students have all passed entrance exams in witchcraft and sorcery—that this is a school for young witches!

This hilarious three-act comedy, takes place outside of Salem, Massachusetts, at Craft College.

Left: Mother Hecate thaws out Lucinda's frozen brew.

Right: Act II—After interrupting the witch's circle, Steve is put under a spell by Mother Hecate.

Below: Act III—Midnight marks the graduation for all but Junelle who forsook witchcraft for love.

Farewell

Four years is a long time
–too long to forget.
We look around and ask
–where did it go?
We worked, we played
–but for four years?

Then we look the other way
–into tomorrow.
Suddenly we're not so tall
as we thought we were
And not so smart.
But we find that somehow
We learned a decisive lesson at S.H.S.:
something we wouldn't have had
without the teachers and administration,
without our fellow students
–a direction into that uncertain tomorrow.
It can never be so dark again
Though the world may change
and the times change
and we change.
